**SCHEME PRACTITIONER
DEED OF APPOINTMENT**

SEPTEMBER 2021

SCHEME PRACTITIONER APPOINTMENT

WHAT ARE SCHEME ADMINISTRATORS & SCHEME PRACTITIONERS?

Every SSAS is required to have a Scheme Administrator. This is a formal role given to a Member/Trustee by HMRC. It is the Administrator's responsibility to ensure that the SSAS delivers the correct accounts to HMRC and that the SSAS is run in accordance with both the HMRC and the Pension Regulator's rules.

Where a Member/Trustee is acting as a Scheme Administrator they can appoint professional help in the form of a 'Scheme Practitioner'. This is an individual or company with experience in SSAS Pensions – able to ensure that investments and payments into and out of the SSAS are compliant with the appropriate rules and regulations.

In many cases the Scheme Practitioner will also become a joint signatory on the SSAS Scheme Bank Account – ensuring that payments being made do not fall foul of the 'Unauthorised Payments' rules.

Segmented Solutions Limited is a company established and run by Paul Stewart, who is Scheme Administrator for a number of SSAS Pensions. Having been both an Advisor, and an Examiner in the Pensions Industry, he has the required SSAS knowledge to be able to provide assistance to all Scheme Administrators – by providing the Scheme Practitioner role through Segmented Solutions Limited.

As the SSAS is a TRUST – the Appointment needs to be formally recorded by both parties. This document is the DEED OF APPOINTMENT which formally appoints Segmented Solutions to the role of Scheme Practitioner.

The Following DEED needs to be completed by the current Scheme Administrators, then signed and sent to us by post.

(You can of course scan and email a copy while we wait for the Posted version to arrive).
